IBS – 2024 IASMS Business Stalls

IBS IASMS Entrepreneurial stalls initiated by 1st Sem and 3 Sem MBA students at IASMS campus, where students sell product or services. These stalls offer practical business experience, teaching students about sales, marketing, customer service and financial management. They also encourage creativity and innovation as student often crate unique products or offer distinctive services. Additionally, these ventures can foster teamwork and leadership skills, and funds generated from stalls are going to be used for college CSR activities. Overall, they provide valuable hands-on learning opportunities in Business stalls.
